

# Legacy “LMR” Park Project

## Working Design Outline

With a focus on educating, honoring and remembering, the following are the proposed focal points for the park...

**1. George Washington Monument – scaled down model**

A symbol all Americans will recognize

An attraction for those not able to make the trip to DC

Field trip destination for Maine elementary and middle schools

Borrowed materials (on loan) from the George Washington Masonic National Memorial

**2. Wall of US Presidents**

15 were Masons, so highlight this fact and their accomplishments

**3. Symbol/statuary to be determined**

Focus on the Constitution (and the part played by Masons)

**4. Ashlar Stone**

Life’s journey (within and outside the Fraternity)

**5. Pillars/Columns**

Symbols to attain more insight

**6. Senior Deacon’s Carpet**

**7. Armed Services / Veterans Recognition**

**8. Symbols of Knowledge and Wisdom**

Owl, Book, Light Bulb, Lotus, Mandala, Raven, Goddess Saraswati, Athena and the Owl

**9. Statue of Man and child**

Highlighting the importance of the generational nature of Freemasonry

Highlighting the significance that fathers/parents/mentors play in all our lives

The above list is not meant to be final or complete, it is meant to be the foundation and maybe the first floor / phase or two - to be built upon year after year. Think of the George Washington Monument miniature as the cornerstone - with its mass appeal and strong masonic connection - it will allow us to build upward and outward.
